

Partner with IPD and Heartland Payment Systems to help your business grow.

As the owner of a successful business, you don't have time to worry if your payments are securely and quickly being processed—or that your staff is being paid on time. And, you don't have to now that IPD has a trusted partner in this area.

Payment Processing

Benefits from fair and transparent pricing, superior service available around the clock, and the most reliable data security solution in the industry. Seamless integration with PioneerRx Pharmacy Software creating a turn-key solution. Heartland's pricing model for card processing features true interchange plus pricing: all bankcard interchange and fees are passed through to business owners without mark-up of any kind.

Payroll Solutions

A customizable, all-inclusive payroll/HR solution featuring the only three-year price guarantee in the industry and a team of dedicated payroll specialists. No cost to add or remove an employee, full tax compliance, W-2 processing, electronic on-boarding and easy access to work opportunity tax credits (WOTC).

Lending

Heartland is excited to offer a more convenient way to access capital based on the processing volume of your business. Loans from \$5,000 to \$2,000,000. Competitive locked rates, not variable, to help your company grow.
