See enclosed product label for ease in identifying the product.

This recall has been initiated due to an out of specification result for the organic impurities test observed during stability testing of Fosfomycin Tromethamine Granules for Oral Solution. Out of specification results were initially observed in seven batches (22121458, 22121459, 22121460, 22121461, 22121463, and 22121464). In efforts to assess the impact of the out of specification, ten additional batches are being recalled.

This recall is being conducted with the knowledge of the Food and Drug Administration. This recall should be conducted to the RETAIL level.

Please perform the following activities:

- a. Immediately examine your inventory and quarantine product subject to recall for the lot number specified in the table above.

- b. Promptly identify your recall customer(s) who received the recall product and provide them with clear instructions to return the recall product.
- c. Promptly complete the attached recall stock response form even if you have no product to return.

The completed Recall Response Form can be submitted by any of the below methods:

Fax: 817-868-5362

E-mail: [rxrecalls@inmar.com](mailto:rxrecalls@inmar.com)

Your assistance is appreciated and necessary in this voluntary recall.
